

application instructions

Thank you for considering a position at City Year—

applying is the first step in a rewarding journey.

Below are some simple instructions to help you get started:

Application Deadlines

City Year has four application deadlines:

- Early Application Deadline.....November 30**
- Winter Application Deadline.....February 15**
- Spring Application DeadlineApril 15**
- Summer Application DeadlineMay 31**

To be considered for a position, you must submit your completed application, including application form, essays, and reference forms, to City Year by one of the four deadlines listed above. If positions are still available after May 31, City Year will consider new applications on a rolling-admissions basis.

Applications submitted later in the year are typically competing with a much larger pool of applicants. The sooner you apply, the better your chances of acceptance.

Where to Send Your Application

You have two service placement options. You can apply to a specific City Year site or apply to serve where most needed.

City Year is one national organization with many site locations. Therefore, we accept only one application per individual. Submitting your application to more than one site will significantly delay the selection process.

If you are applying to a specific City Year site, you should mail your completed application to that site directly. If you are applying to serve where most needed, you should mail your completed application to the National Recruitment Department. City Year site addresses are listed on page 7 of the application.

Reference Forms

Include two reference forms with your completed application, each sealed and signed by the recommender on the back flap of the envelope. Select recommenders who are familiar with your personal background, education, employment and/or professional skills. Consider asking a work or volunteer supervisor, clergy member, teacher or professor, guidance or career counselor, or coach to fill out the enclosed reference forms. You should not ask a family member, classmate, co-worker, or friend to serve as a reference.

City Year will begin reviewing your application once we have received all the necessary materials, including your two reference forms.

Essays

You will need to answer three essay questions. Each essay should be at least 250 words; we recommend, however, an essay length of approximately 500 words. Pay particular attention to content and mechanics (grammar, spelling, punctuation, etc.), as we will evaluate your essays based on these criteria.

Letter to the Recommender

This applicant has asked that you provide a candid recommendation to City Year as part of the corps member application process. City Year unites diverse young people for a year of demanding, full-time community service. Corps members work on teams meeting crucial community needs, particularly serving children and youth.

City Year is an extremely rewarding and challenging experience. Corps members are expected to serve as leaders and role models in the schools, organizations, and communities that they serve. They must show a tremendous amount of commitment, character, competency, and cooperation throughout their service term.

Taking the above into account, we have identified the qualities we believe characterize our most outstanding corps members, and we would appreciate your assessment of the candidate in terms of these qualities. Your objective evaluation will weigh heavily in our decision-making process. In fairness to the applicant and the people City Year serves, please be as honest as possible. Once this form is completed, please return it to the candidate in a sealed envelope with your signature across the seal. The applicant will submit your sealed recommendation to us along with his or her other application materials.

Again, your input is very important to us, and we look forward to hearing from you.
